SQUAD RULES

- Share only what people choose.
- Never enter a home unless invited.

- Text first. Keep calls short.
- Respect every answer.

WHEN A STORM WATCH IS ISSUED

Anyone in the squad texts:

“Base check.”

Everyone answers “Squared away,” or what they need. Anyone who does not answer gets a visit from a neighbor, at the door, after the storm passes.

OUR CHECK-INS

Base Check Saturday: the first Saturday of March, June, September and December.
Monthly: the first Monday, ten minutes, by call or text.

OUR MEETING PLACE NEAR HOME _____ **OUT-OF-TOWN CONTACT** _____ **UTILITY OUTAGE NUMBER** _____

A neighbor squad is not an emergency service. Do not collect medical records or private details. Anyone who relies on powered medical equipment should also plan with their doctor and utility. Checking on neighbors is advised by Ready.gov and CDC during and after an outage.
