THE BASE CREW

THE STANDARD

01 POWER
We know what our home runs on, and what keeps it running.

02 WATER
We store it, we can make it safe, and we count it.

03 FOOD
We can eat for days without the grid.

04 LIGHT
Everyone has a light within reach.

05 HEAT AND COOLING
We keep the house safe in the cold and the heat. Nothing that burns fuel runs indoors.

06 COMMUNICATION
We have a plan on paper, and we text first.

07 FIRST AID
We have the kit, the list and the training.

BASE CHECK. SQUARED AWAY.
